

Falmouth primary academy Newsletter

To our Parents and Carers....

I hope you all had a restful half term break. The children have settled brilliantly into the second half of spring term and are really impressing us with their hard work and the progress they are making. A special well done to children in our younger years who are attending phonics breakfast club and our Year 6 children who are doing additional sessions after school or lunchtime to be as prepared as possible for the SATs.

Our choir have a big week ahead of them with the Music for Youth Festival today at Truro Methodist Church and Songfest at Princess Pavilions on Tuesday evening. Please do come along and watch if you can! This afternoon - we had Year 6 children at a Falmouth Schools' Dodgeball Competition. It has been really exciting to see our children involved in every sports competition on offer in Falmouth so far - well done to our young sportspeople, and the choir, for always representing our school so well.

Next Thursday, we are looking forward to celebrating World Book Day - please do encourage your child to come to school in their pyjamas, or as their favourite book character. On Tuesday, Puffins Class will celebrate St Piran's Day with a parade through town and saffron bun fuelled performances in the Church. It is a busy time with much to look forward to - a big well done to our children for all they are achieving and for continuing to show the school values of respect, teamwork and perseverance.

Have a wonderful weekend!
Kindest regards, Jess Mills

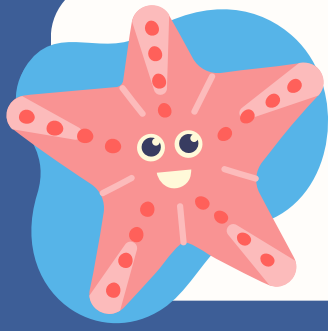

Attendance

Please note that you need to complete an exceptional leave form for any planned absence. No holidays are authorised and will be subject to a penalty.

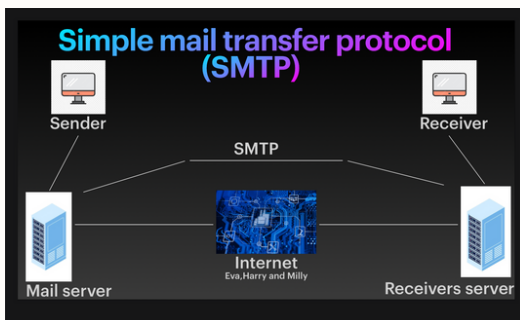

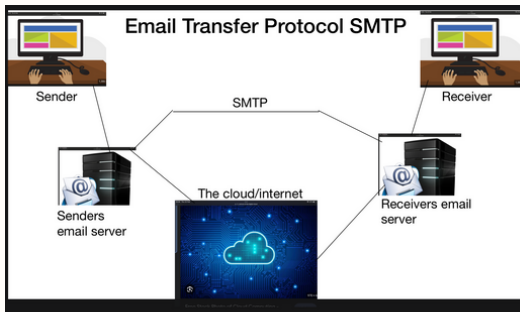

Seagulls – 90% Jellyfish - 95% Seahorses - 91% Limpets - 89%
Lobsters - 94% Turtles - 90% Puffins- 90% Seals - 90%
Dolphins - 90% Basking Sharks - 94%

Basking Shark & Dolphin Classes

Year 6 learnt about data and emails. We played a game to see if we could deliver a message via data packets quicker than the internet. It took us 2 minutes and 24 seconds but the email took seconds!

Seahorse & Limpet Classes

Seahorses and Limpets have been working hard on their arithmetic! They have learnt to add two 2 digit numbers together using exchange!

For World Book Day on the 7th March, we are inviting the children to either dress as their favourite book character, or wear their pyjamas to school.

Jellyfish Class

Jellyfish have been doing amazing learning about adding and subtracting this week!

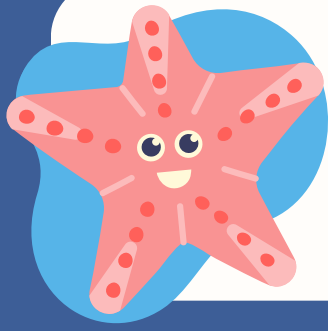

Lobster Class

Well done Lobsters for coming back to school showing our 3 values in abundance!

You are respectful, you persevere with your learning and you all work brilliantly as a team! Keep up the good work!

Music for Youth Festival

Today 46 members of our choir took part in the Cornwall Regional Music for Youth Festival at Truro Methodist Church. We were the only primary school taking part (all other schools were secondary).

Our choir aimed to impress the mentors moderating the event for the chance to be invited to perform at the National Music for Youth Festival in Birmingham in the Summer. The children received incredible feedback from the expert panel at the end and made us very proud!

School Uniform Reminder

Please ensure your child is coming to school in the correct uniform every day.

We have noticed some slippage recently with children wearing clothing that is not part of our uniform. Please support your child in coming to school in uniform showing that they are ready to learn and be part of our Falmouth team!

St Piran's Day Celebration Parade Falmouth

Puffins Class has been selected to represent our school at the Falmouth celebrations this Tuesday 5th March. Anyone who wishes to support them can see the parade from 10am starting on the Moor in Falmouth.

Dodgeball Competition

A huge well done to our dodgeball team who were excellent in the tournament today. They placed 3rd out of 6 schools and were a credit to Falmouth Primary, we are all extremely proud of them!

Falmouth primary academy
Learning through a voyage of discovery

Limpet Class

Year 2 have begun exploring equal groups. They worked in their maths learning partners to share different amounts into equal groups.
