

A message from our Head Teachers.....

Dear Parents and Carers,

We need to start this week by congratulating all of the Year 6 children who managed to successfully navigate SATs in style. They did a brilliant job getting to school on time every day and certainly made the most of the SATs breakfast! All of the children approached the tests with a positive attitude and a determination to do their best. All of the staff who helped to administer the SATs were blown away by the children's attitude and resilience – it really was fantastic to see. We couldn't be prouder of them! We also need to say a big thank you to the Year 6 team who have prepared the children so well.

This week we have had visits to Pendennis Castle for Jellyfish class, Turtle class enjoyed the sunshine at Elemental and Year 6 have visited the beach and planted a beautiful flowerbed. A lot of the Year Sixes have headed to camp today and we can't wait to hear all about their adventures next week.

Matt Middlemore, the deputy CEO of Kernow Learning, visited school this week and had lots of positive things to say about the time he spent here.

Thank you all for your continued support.

Ms Smith and Mrs Bennett

Attendance

Please note that you need to complete an exceptional leave form for any planned absence. No holidays are authorised and will be subject to a penalty. Please ensure that you follow the latest government guidance for Covid-19 and report to school immediately if your child or anyone in your household has symptoms/needs to isolate.

Shout Out!

Brayden in Basking Shark Class got coaches player of the season for under 11s! He gets to keep the trophy; the shield will be on display at Falmouth Rugby Club with his name on it. What an amazing achievement, we are all so proud, well done Brayden!

Limpet Class

Limpet Class enjoyed their Coronation picnic despite the rain!

Lobster Class

Lobsters have been creating comic strips to present the stories they wrote for their progress write this week. They needed to think about the text to add to the speech bubbles and how to really bring their imagination to life.

Octopus Class

Whilst reading the Greek myth 'The Minotaur' we went on a journey around the school grounds, imagining the half man with the head of a bull and hooves for hands in his labyrinth. We were shocked that Prince Theseus had left his princess abandoned on an island while he sailed home to glory!

Turtle Class

Turtle class conducted a fair test to see which type of chocolate is the fastest to melt from a solid to a liquid - milk, dark or white.

Jellyfish Class

Jellyfish investigated the different types of plants and flowers we have around our school grounds.
