To our Parents and Carers....

Thank you so much for attending our parents' evenings - it was really good to see you and to hear how well your children are doing.

Last week, I was enormously proud to see our choir perform at Truro Cathedral - they really are going from strength to strength. They have a busy schedule up until the end of term, including performing at the Lantern Parade (next Thursday), carols at the Pavilions, singing at Falmouth Care Home and opening our Christmas Fair.

Also getting better and better are our sports teams. Last Friday, our basketball team won the Falmouth schools' basketball tournament and are now through to the next round at Penryn College in December. Our boys' football team drew in their match on Wednesday and the girls' team won 1 match and lost 1 match (it was very close)! I am so proud of the way our children are persevering and working as a team - our school values in action!

Next week, we start to look forward to Christmas and I hope to see you in next Friday afternoon (from 2.30pm) to help make decorations with your child.

I hope you have a wonderful weekend!

A huge well done to all the children who received governor celebration certificates this week for exemplifying the school values each and every day. We are very proud of them!

This week the children have been working on their fine motor skills as we have celebrated Diwali. They have used chalk to create Rangoli patterns, they have scooped rainbow water beads to work on their wrist pivots and they have manipulated clay to create their own Diwa Lamps.

At Mrs Broom's cooking club this week the children made delicious chocolate brownies! The group were fantastic at working together as a team to read the recipe and measure the ingredients.
